

Update on Lyndhurst Shed No.1

21 st January 2020

Hi Shedders,

Just a few notes to keep you up to date with our progress.

1. **A steering group meeting** will take place on the 23rd at 7p.m.
2. **The normal monthly meeting** will be 11th of February at 7p.m.
(Both at the Nondesscripts Club in Lyndhurst.)
3. We have now an **e.mail address** which should allow you to contact the steering group, this is thanks to Stuart Pentland and is **enquiries@lyndhurstshed.org.uk**
4. We have **joined the Mens Shed Association** and it,s a good place to visit on the computer they publish a monthly Magazine called "Should to Shoulder" which is worth a visit.
5. **Anyone who wishes to help out on the Steering group is welcome** to attend we need volunteers for a Secretary, Membership Secretary, and lots other jobs which will help us develop our shed.
6. I have been putting **posters up around Lyndhurst** and the surrounding area to help publicise and recruit more members.
7. **Luke and Angela will be at Lady Cythia,s Flea Market on Sunday 2nd February** selling items, some we have made specifically for sale to raise money and publicise the shed, it,s in the Community Centre so so pop along and say hello.
8. **There is a Volunteers Fair in Lyndhurst** this coming Sunday and I will go along and chat to some of the people their, I think also that we could perhaps have a stall there next year?
9. I think it would be a good idea to have an **outing** to one of the other sheds in the area, I am thinking specifically of either **Nursling or Fawley Sheds?**
10. Premises updates, the **Hartwood House** offer I mentioned at the last meeting was unfortunately unsuitable althought they have offered to bring some cakes to our next meeting!
11. However I think we might have some **good news on another premises**, which may also have room to expand if we are successful.
They are carrying out some modifications in April and it would be good for our steering group to visit to discuss feasibility.

So look foreward to seeing you either at the steering group or the monthly meeting.

Regards,
Pete
